

CYBER Gadget Releases *saveEditor Game Enhancer for the PS4 Vol.1*

Enhance Your Gaming Experience

with *saveEditor Game Enhancer for the PS4 Vol.1* !!

Experience never before seen game features with the most popular cheat device in Japan, *saveEditor Game Enhancer for the PS4 Vol.1*, the first in the saveEditor series. Launched on June 07, 2017.

Please see below for product details.

■ Unlock hidden features on your games like MAX money, MAX life, and more!

saveEditor lets you edit PS4 saves using patch codes to increase game strategy, giving you access to unlimited money, maximum level of RPG characters, and more.

■ 20 game titles available!

Just choose the patch codes from the menu and apply the effects you want on your game saves. You can unlock awesome features right after downloading.

*Please have a look at "Available Game Titles" on the next page. *Titles not on the list are not available. *New patch codes cannot be added.

■ Restoring Game Saves

By keeping *Backup Saves* on, you can recover a damaged game save or simply restore a patched game save to its original state. You don't have to worry about accidentally applying a patch code that you didn't want.

Operating Environment

* Ensure that the following is properly set up.

- PC with Internet connection 【OS : Windows7/8/10 (32/64bit)】 *Tethering is not recommended due to large data transfer size
- PlayStation 4 with a PSN account (PSN ID) and password
- USB flash drive: 8GB or higher *The game save must be saved to a USB flash drive then edited on PC
- Hard drive free space: 10GB or higher *saveEditor can be downloaded on multiple PCs (one account will be synced on all devices)
